Our Planning and Inspections Department is moving just around the corner from its current building, 22 S. Main St. to 22 Dwight Ave. During the move on Friday, November 5, they will be closed to walk-ins and can be reached by phone at **302-653-3486**. All planned inspections are still maintained as scheduled for Friday.

DPH Advises Vaccine Providers to Offer Pfizer COVID-19 Vaccine for Children 5 to 11 Years of Age

This announcement comes after the U.S. Food and Drug Administration (FDA) last week gave its approval to expand Emergency Use Authorization (EUA) to allow for the Pfizer vaccine to be administered to children in this age group.

LEAF COLLECTION

From September 15th through December 31st, you will see the Town of Smyrna Public Works crews picking up piles of leaves from curbside with our leaf machine.

The machine will ONLY pick up loose leaves.

Do not include any mixed yard waste material in your piles. Please separate all other yard waste (sticks, brush, and garden clippings) from loose leaf piles and place these into your yard waste container. This allows for the proper recycling of all materials and avoids equipment damage.

DO NOT pile leaves in the street or around fire hydrants.

Place loose leaf piles at the edge of your property, but not in the gutter or road. Leaves in the road can become a traffic hazard. When it rains, leaves will plug catch basins, causing dangerous road conditions and flooding.
